The FJ1200 still has a large following some ten years or so after the last one rolled off the production line. You cant travel too far in this world without passing one going the other way or stumbling across one parked up at a motorway service station. Few machines have made an impact and stuck around for so long as Yamaha FJ series.

I've had a few big road bikes in my time; nothing matches the FJ1200. I love the noise, I love the awesome power in any gear; doesn't get any better than that. I looked for a long time to find a good one. Imported from Japan by an Asian owner in 2001. 26.000km. Happy days. It hasn't lost a street race yet.
