World History Reading And Note Taking Study Guide Chapter ...

The outline method of note taking starts on the left-hand side of the paper. The most important points are placed at the left edge of the paper. Less important points, which are typically ideas that support the main points, are indented to the right. Each set of less important points is indented more to the right. It is easy to see, at a glance, the level of importance of the different ideas because of the distance between them and the major points.
