Throughout the years, a number of teams in the National Football League have either moved or merged. In the early years, the NFL was not stable and teams moved frequently to survive, or were folded only to be resurrected in a different city with the same players and owners. The Great Depression era saw the movement of most surviving small-town NFL teams to the large cities to ensure survival. Franchise mergers were popular during World War II in response to the scarcity of players. Few of these
