Don't be afraid to brown boldly in the oven; chicken thighs rarely taste overcooked, but undercooked skin won't be good here. 3. You don't need an extra saucepan for the sauce: Ottolenghi says to pour the sauce into a saucepan to reduce, but personally I do it right in the pan, whether that's a large sheet pan or an extra-wide roasting pan.

Your Sense of Taste. There are tiny taste buds inside your mouth: On your tongue, in your throat, even on the roof of your mouth. What we call “flavor” is based on five basic tastes: sweet, salty, bitter, sour, and savory. These flavors — plus the sensations of heat, coolness, and texture, combine inside the mouth to give us a sense of taste.
