Port Phillip is a bay in Victoria, Australia. It has many beaches, most of which are flat, shallow and long, with very small breaks making swimming quite safe. This attracts many tourists, mostly families, to the beaches of Port Phillip during the summer months and school holidays. Water sports such as body boarding and surfing are easy or simple, except in extreme weather conditions. Most sandy beaches are located on the bay's northern, eastern and southern shorelines, while the western shoreli
