Crack the interviews Jun. 07, 2018 If you are targeting a job in consulting, you probably already know what type of interviews to expect: a case. In a case interview, your interviewer will ask you to solve a business problem. For instance, they might ask you how Coca-cola can double their profit margin next year.

### 15 case interviews tips for McKinsey, BCG and Bain ...

The worst way to approach a consulting interview case question is to just dive in. For example, if immediately after hearing about the client situation she demands, "Tell me about the customer segments," you're losing points. Planning clearly doesn't necessarily mean using a popular, pre-existing case interview framework.
