Journalism in the modern day. By Chilo Bathily | by Chilo ...

The two largest changes in modern journalism strike at the heart of traditional notions surrounding journalists and news companies. Firstly, the rise of the blogger and user-based journalism has become immensely popular among both new and old media companies, a change that has drastically altered the definition of a journalist.

How Has Journalism Changed? | Journalism in the Digital Age

Glance journalism is non-click journalism. The study may simply explain the obvious and note what we all do: go to Twitter to see news decided on my people we follow, or go to a homepage to see an editor's view of the top headlines, and then dive into the "huh? How can that be?" story.

Glance journalism: News without a click-through

Journalism majors are required to take core courses in media writing, media tools and applications, and media law and ethics. In addition, students are required to take two courses each in the categories of Writing, Creating and Engaging.
