Workshops. MPW offers many workshops that will allow you put your photographic skills to use. Our workshops will take you either into the studio or on location for day long shooting and instruction. We always keep the participant to instructor ratio low (typically 10 to 1 or less). Most workshops will run from 10 am to 5 PM. Saturday and/or Sunday.

### Midwest Photography Workshops

Join Dan for a 3-day photography workshop in the charming small town of Crested Butte, tucked away in the remote Elk Mountain Range. Old mining roads from the late 19th century make this the ideal place to explore and find unique landscapes. We'll take the back roads to photograph crystal clear alpine lakes, aspen groves, rugged mountain vistas.

### 2020 Unique Outdoor Photography Workshops

The Nature and Wildlife Workshop, also called Photography at the Summit, is the longest-running workshop in the Summit Series. It brings together a faculty of top international photographers and editors — many from National Geographic — and combines it with the beautiful setting of the Grand Tetons.

### The Nation's Top Sandhill Cranes Photography Workshop

But his passion for nature remained and he became a guide for mountain climbing and hiking. Then he turned into a guide for photo-workshops and now he is leading groups from all around the world. He received several awards for his art. His work appeared in media such as Photography week, Photography Master Class, and the National Geographic.
