Algebra Practice Test With Answers

Basically, I feel like I would be horribly bored in a pre-algebra class in college. I got all the way up to pre-calculus in high school and passed all of my high school math classes with A's except for one B in trigonometry. In high school I took: Algebra 1B, Algebra 2, Geometry, Trigonometry and Pre-calculus (my high school was on a quarter system).

I got into pre-algebra when I took my college assessment ...
