## **Day At**

We've discovered the author Richard Scarry's with a day at the airport which was a fantastic book for my son. Now with this one a Day at the Police Station it's another success. His elder brother is also able to read the story for him and the illustrations are just too good with many intricate details.

This is another cute and funny adventure by Richard Scarry. The firestation, fresh paint, a house fire, a pile up between several interesting vehicles, and then a Rino's silly mistake make this a silly story that little kids will love.
